

What went well?

What should we keep doing?
What should we celebrate?
Where did we make progress?

Observe the

beauty and

diversity of

oceams.

nature, from lush

forests to vast

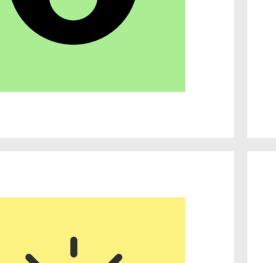

[Topic of the retrospective]

What went poorly?

Where did we have problems?
What was frustrating to us or others?
What held us back?

Inhale the freh scents of flowers, earth, and rain.

Feel the textures of different ntural elements, like the rough bark of tress or the softness of moss.

Encage in activities like hiking, camping, or gardening to immerse yourself in nature.

Reflect on the intricate ecosystems, cycles of life, andthe imact of human actions on nature.

How should we take action?

What do you believe we should do next?
What specific things should we change?
What should extend beyond this meeting?

Experience the emotional connection andserenity that nature can

Listen to the

like chirping

eaves, and

birds, rustling

flowing water.

sounds of nature,

nature can provide.

What ideas do you have?

Savor the

in nature.

flavors of wild

fruits, berries,

or herbs found

What ideas do you have for future work together?
Where do you see opportunities to improve?
What has untapped potential?
